Learn-to-swim classes

We keep our classes small (4:1) to maximize teacher/student interaction. Group classes are 30 minutes long. We do not have registration fees, and if you call to reschedule at least 2 hours prior to your lesson you can make up the lesson.

Below are the days and times for group lessons. Levels at each time will be determined by demand. This demand will be based upon requests given at each priority level. We will never cancel a class due to low enrollment.

Non Competitive Swim Team

This is a fast paced class focusing on all 4 strokes, flip turns, open turns, and diving. Similar to a swim team practice, students will be swimming laps and practicing advanced stroke techniques. Students should be proficient in all 4 strokes prior to enrolling. Students must also be tested prior to enrolling in NCST. These classes are taught by instructors who have had high school or college level competitive swimming experience.

StrokeStars /1 and 2:

We have broken our StrokeStars Level into two groups to accommodate varying levels of ability. Our StrokeStars 1 Level is for any child that is new to StrokeStars, and for any child that needs extensive focus on technique development. The instructor will be in the water for this level.

Our StrokeStars 2 Level is for students that can already swim 25 yards of Butterfly and Breaststroke without difficulty. This level focuses on developing current knowledge of Breaststroke and Butterfly, and ensuring that the technique for both strokes is legal (making sure that your child will not be disqualified in a swim meet).
