Membership does not include the right to teach swim lessons in our pools. Any non-employee who is suspected of teaching swim lessons in our pools will have their memberships terminated. Exception: Parents teaching their own children to swim.

Children under the age of 18 must be able to pass a swim test to enter the lap pool. Children must swim 25 yards of proficient, independent, Freestyle with side breathing without stopping. Children can only swim in the lap pool if lanes are available. If the lap pool becomes crowded, children will be moved to the teaching pool. If children are playing in the lap pool, they will also be moved to the teaching pool.

Parents can only teach lessons to their children in the teaching pool.
