Learn-to-swim classes

We keep our classes small (4:1) to maximize teacher/student interaction. Group classes are 30 minutes long. We do not have registration fees, and if you call to reschedule at least 2 hours prior to your lesson you can make up the lesson.

Below are the days and times for group lessons. Levels at each time will be determined by demand. This demand will be based upon requests given at each priority level. We will never cancel a class due to low enrollment.
