9-15	\$17.74	\$16.74	\$15.74
16 or more	\$16.74	\$15.74	\$14.74

**NEW Customer Online Portal**

We have switched to a new computer software called Jackrabbit.

Jackrabbit has an online customer portal where you can see the following information:

- Current/Future class schedules for each swimmer in your family
- Any payments that you have made
- List of class cancellations/makeup dates
- Past due balances
- Student information
- Our company policy and procedure agreement

In order to access your customer portal, you must create a customer account using the same email that is on your current registration form. This email will allow your customer portal to link to our software so you can see your information. Your portal account will not be created until we process your form.

A link to our customer portal, and an instructional video on how to create your account, can be found on our website using the icon on the right labeled "customer portal".

Please contact the front desk if you have any questions.
