Learn-to-swim classes

We keep our classes small (4:1) to maximize teacher/student interaction. Group classes are 30 minutes long. We do not have registration fees, and if you call to reschedule at least 2 hours prior to your lesson you can make up the lesson. You must fill out a new registration form for each session to be signed up for classes.

Below is an APPROXIMATION of the days and times for group lessons. Levels at each time will be determined by demand (levels listed below are subject to change). This demand will be based upon requests given at each priority level.
